- A presentation by an Bill Barber Showmanship Award Winner and an Event Organizer who is changing the timetable and model of air shows!

4:30pm- **New and Improved Facetime**

- Introduced last year, this is the time of the day when Event Organizers get to meet Performers/Event Service Providers for one on one (team) discussions.
- There will be 15 5-minute sessions during this 90-minute session.
 - A countdown clock will be displayed on the screen.
- All scheduling will be online and will be closed at the end of the lunch break.
- Event Organizers will be provided with a list of who has scheduled time with them along with table tents to aid people connecting with each other.

6:30pm **Networking Gathering** in the Cataract Room at the Conference Center

7pm **Introduction of 2024 Board Members and Dinner**

7:30pm **Entertainment & Social** in the Cataract Room at the Conference Center

Sometime later we will undoubtedly be returning to the bar in the Sheraton.

Sunday

7:30am to 9am **Breakfast** in the Cataract Room at the Conference Center

Working breakfast session-

AGM committee reports and other business will happen during the breakfast session.

9am- **Practicum Air Show Layout Lessons Learned-** Grand Ballroom

- This will be an open discussion about air show layout “from the fence back” including:
 - Vendor & Chalet placement
 - Chalet placement
 - Emergency lanes
 - GA area
 - VIP access
 - And many others
- Members are encouraged to send photos of examples of “the good, the bad, and the ugly”, with all show names obscured to protect the innocent! If you saw something that worked send it and share. If you saw something that needs improvement, and you can share it without embarrassing another show bring it on! Email samples to info@necas.org with Practicum in the subject line.
